A QUALITY EDUCATION FOR ALL

February 8, 2017

To Whom It May Concern:

For the past three years, Montezuma-Cortez High School has created an event to keep students safe on the night of Prom, and it has been a huge success. With around 80 students attending last year's After Prom, we were able to keep the dangers of Prom night to a minimum and provide students with a fun and safe way to hang out with each other. We are excited to raise the bar on this year's event, and we hope you will help us to make this year's After Prom a success.

The After Prom event will be April 22/23 from midnight to 3am at Montezuma-Cortez High School. Attached is a brochure that provides information about the event and what it will entail. In order to draw students in and get them to stay all night, we need some large-value items to offer as prizes for our end-of-night raffle. We would like to be able to offer three to four large prize packages that include items that teens will want, and the greater the value, the more likely they are to attend and stay. Would you please consider offering a donation of such an item or items or money to help us? We are looking for items like outdoor gear, electronic devices, and items for college students, anything that teens will value. The date is fast approaching, so we ask that you consider a donation and contact us at your earliest convenience. Email me at afterprom@mchsdrama.org or call us at (970)565-3722 ext 2114. Go to www.mchsdrama.org for more information. Thank you for your support!
